Reason For Return

--

Items that have been customized such as skis with bindings mounted cannot be returned unless they are faulty. ALL items must be returned in their original unused condition, including the original packaging, manufacturer's containers, documentation, warranty cards, manuals and all accessories. We strongly suggest sending returns insured for the full value and with a tracking number for your protection and to insure a full and prompt refund. Unless the item is faulty or the incorrect item was sent, the customer is responsible for return postage. Refund's returns or exchanges will be processed once the items have been received and inspected. Any replacement items will be dispatched ASAP after processing your return. If applicable a Refund/Credit will be issued after the warehouse receives, inspects and processes your return, which can take up to 5 business days. You will receive a confirmation email when your return has been processed. Credit Card refunds can take up to 72 hours to appear on your statement.
